Department of Health: “**What is COVID-19?**”

On 31 December 2019, the World Health Organization (WHO) reported a cluster of pneumonia cases in Wuhan City, China. ‘Severe Acute Respiratory Syndrome Coronavirus 2’ (SARS-CoV-2) was confirmed as the causative agent of what we now know as ‘Coronavirus Disease 2019’ (COVID-19). Since then, the virus has spread to more than 100 countries, including South Africa.”

Pest Defence: “Dear friends, we value you as our friends and customers. We are thankful for the support during the last few years. Please keep Safe, and don’t hesitate to give us a call or sending an email.”
